

Born and raised in the northwest suburbs of Chicago, I graduated in 2007 from William Fremd High School and went on to become a graduate of Roosevelt University as a member of the Franklin Honor Society. I currently work as the business manager for my family's business in the HVAC industry. Our company has been located right here in Norridge for the past 45 years. With many family members also in the mortgage business, it seemed inevitable I would become a licensed Realtor. After getting my real estate license in 2017, my first successful deal was the purchase of my own condo in Barrington. I currently reside there and have been actively giving back to the community as a member of the Barrington Junior Women's Club for the last five years. For me, real estate has been a way to engage more members of not just my own community, but of the surrounding communities as well. It has allowed me the freedom to continue to participate in community outreach as well as the privilege of meeting so many new and wonderful citizens of our area. I look forward to serving the villages of Norridge and Harwood Heights alongside Giuseppe and the team at Zerillo Realty.
