

I was born and raised in the Northwest Chicago land area in July of 1984. I attended Maine South High School and graduated in 2002. I then attended Northeastern Illinois University where I got my Bachelors in Economics. I started in Real Estate leasing properties. It gave me some good insight to further my expertise and became a Broker in 2014. This field came to me naturally because I watched and learned from my parents as I was growing up. I specialize in Commercial and Residential properties.

I am a first generation Polish American born. I speak fluent Polish and English. I also have a seventeen year background in the construction industry. I married the love of my life, Patrycja in September of 2014. We spend our time together traveling and taking our Westie/Chihuahua, Zeus for walks and play dates at the doggie beach.

I am a fun and easy guy to talk to. In my free time I love to spend time with my friends and family or spend time at home with my wife and fur baby.
