

I was born and raised in the Chicago land area. I have been a professional and successful Real Estate agent for 14 years. I am very familiar with the Chicago Land area, from Elgin to Deerfield to Brookfield and past those horizons.

I am a Mother of three. I love spending my free time with my family and teaching my children good morals, mannerisms, and respect. I am very family oriented and I treat all my clients as they were family as well.

I have a true passion for business and keep my reputation in excellent standing. Clients choose me because of my ethics, experience, and expertise. I strive to make sure my clients have a smooth experience during the buying and selling of their homes.
