

I was born in Chicago and grew up in Niles until I got married. I graduated from Resurrection High School in 1995 and received an Associate's Degree in Information Systems. I have been working full time for a benefit corporation for 21 years as a Windows Server Engineer.

Real Estate has always been my passion as I sold my own townhome in 2007. I put my Real Estate passion on hold to begin a family. I have been married for 16 years and am a mother of three.

In 2011, I moved to Norridge and have been an active volunteer at my children's school. As my children have grown, I decided to pursue Real Estate in 2019.

I am fluent in Italian and a member of the Maria SS Lauretana Society. I love traveling and making lifetime memories for my family.

I believe in developing trusting relationships by listening and comprehending each client's unique circumstances. I have attention to detail and organizational skills that enable me to act as a strong advocate for my clients.

I am dedicated to exceptional customer service and willingness to work hard for my clients. Buying and Selling a home is the biggest decision of one's life and as your real estate broker, I will provide 100% of my time and dedication.
